Self-Check for Professionalism

- **Word Count:** Ensure the final text is between **250-300 words**.
- **Tense Usage:** Use the **past tense** to describe what you did (Methods) and what you found (Results), but use the **present tense** for the significance or general truths (Conclusions).
- **No Citations:** Avoid including in-text citations or references in this section; it must stand alone.
- **Avoid Jargon:** Use clear, precise language that an academic reader outside your immediate niche can understand.
